Campbell Company Warranty Policy 2020

Pedestrian Push Buttons Limited Warranty:

Campbell Company guarantees our Pedestrian Push Buttons to be free of material and workmanship defects under normal use for five years from date of purchase. Warranty is for repair or replacement, at Campbell Company's discretion, of product only.

Accessible Pedestrian Signals Limited Warranty:

Campbell Company guarantees our Accessible Pedestrian Signals to be free of material and workmanship defects under normal use for three years from date of purchase. Warranty is for repair or replacement, at Campbell Company's discretion, of product only.

Post Warranty Inspection & Repair:

Post warranty inspection will be performed with customer approval for \$20.00 each occurrence. This fee will be waived if repairs are approved by customer. Post warranty repair will be performed with customer approval for \$20.00 minimum each occurrence, or the cost of failed components, whichever is more. If customer does not approve repair costs, the aforementioned inspection fee will be charged to customer. End user pays shipping.

Warranty covers only the repair or replacement of equipment, and does not cover any labor associated with the removal of non-conforming equipment, nor the installation of new or repaired equipment. Warranty does not apply to cosmetic deterioration, improperly installed equipment, overvoltage, knockdowns, vandalism, floods, fire and other acts of God. Warranty on repairs is 90 days
