Notes

**NOTES:**

- All stations set in default mode unless noted otherwise.
- **GENERIC VOICE MESSAGES** consist of "WAIT/WAIT TO CROSS/WALK SIGN IS ON TO CROSS" for all stations.
- Per MUTCD 4E.10: Pedestrian stations with <10' separation will utilize a **VERBAL** message for the walk cycle.
- Per MUTCD 4E.10: Pedestrian stations with ≥10' of separation will utilize a **PERCUSSIVE (TONE)** for the walk cycle.
